**Applicant:** Samancor Middelburg Ferrochrome (Pty) Ltd

**Application:** Knight Piésold has been appointed by Samancor to undertake the Basic Assessment Process associated with the decommissioning of the non-operational Chrome Direct Reduction Dust (CDR) Tailings Facility.

A Basic Assessment Process is required in terms of the National Environmental Management: Waste Act (No 59 of 2008) as amended. The listed waste management activity being applied for is:

Government Notice	Listing Number	Description
921 (2013)	Category A (14)	The decommissioning of a facility for a waste management activity listed in Category A or B of this Schedule.

**Location:** The facility is located on Portion 280 of Portion 155 Middelburg town and Townlands no 287 JS in Middelburg, Mpumalanga. Co-ordinates (centre point) are as follows: 25°48'32.50"S  
29°29'7.35"E

**Nature of activity:** The decommissioning activity will entail the removal of the material to appropriately licenced facilities

### Opportunity to comment:

- All Interested and Affected Parties (IAPs) are invited to participate in the processes by firstly registering as IAPs.
- IAPs will be given an opportunity to review the Draft Basic Assessment Report.
- The details of the public review period will be sent to registered IAPs via email and sms.

For additional details on the project, to register as an interested or affected party or to comment on the application, please contact Knight Piésold at:
